

THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

VOL. 7- Oct. 14, 2015

Co-op Month

Celebrating the cooperative way

October is Co-op Month, a time when co-op member-consumers nationwide acclaim the cooperative business model. Roanoke Electric Co-op invites you, our members, to join us each Friday this month as we celebrate "the cooperative difference." [Read more.](#)

The Response

Great savings in store for this holiday season

Roanoke Electric Co-op wants you to know we heard you. And now we are responding, with some important news about how you can save on energy cost this winter. [Read more.](#)

Survey Time

Most Wanted: Our members feedback!

The next time your phone rings, it may be a representative of Roanoke Electric Co-op calling. We are currently conducting a survey of our membership to find out what you think about your co-op and how we can better serve you. [Read more.](#)

What happens after a major power outage?

Hurricane Joaquin has come and gone, leaving power outages throughout the region in his wake. Getting power restored quickly is no small feat. Checkout this snapshot of what it typically takes to get that energy flowing again. [Read more.](#)

[Today's Energy Tip](#)

Wall outlets and hidden dangers

Those wall outlets in your home are bridges to power, but also gateways to hidden dangers. Here's a list of the important things you need to know about how to use them safely. [Read more.](#)

CHECK OUT

The many ways you can stay plugged in on important energy issues:
