# THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

## RIBBON CUTTING

### **Co-op unveils new substation**

Roanoke Electric Co-op has taken great strides to improve its power system's performance in recent years. To that end, the co-op unveiled this week its new Darlington substation in Halifax, which will further advance efforts to boost safety, reliability and affordability. [Read more.](#)

## REC SOLUTIONS

### **Sign up for outage text alerts**

Hurricane season officially begins today, bringing with it the promise of stormy weather and the heightened potential for power outages. Roanoke Electric Co-op now offers member-owners the opportunity to receive immediate updates on power restoration efforts via text alerts. Sign up is quick and easy. [Check it out.](#)

## THE CHOSEN ONES

### **Look who's headed to Washington, D.C.!**

Two local students have been chosen to represent Roanoke Electric Co-op in Washington, D.C., as part of the Electric Cooperative Youth Tour. They will join more than 1,500 students from across the country for this special opportunity to explore the nation's capital. To learn more about this deserving duo, [read more.](#)

## GOING GREEN

### **How to shave dollars off your energy costs**

Have you considered paperless billing yet? In addition to helping to save the environment, Roanoke Electric Co-op is now offering another incentive for member-owners to do so. By signing up for its electronic billing payment option, member-owners can now shave up to \$18 off their annual energy costs. [Read more.](#)

[YOU'RE INVITED](#)

## What's the scoop on Roanoke Connect?

Would you like to learn more about the co-op's efforts to bring high-speed internet to the region? During a special gathering on June 9 for members of the community, co-op leaders will present the latest news and information on its Roanoke Connect initiative. If interested in participating, you must RSVP by June. 2. [Read more.](#)
