

THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

TEE UP!

Golf classic to raise funds for worthy cause

Calling all golfers! Roanoke Electric Co-op is hosting its first Golf Classic. While the day-long event promises to be full of fun and games, the underlying goal is to serve a much larger mission. For more information about how you can support this very worthy cause, [check this out](#).

MAKING THE GRADE

Co-op makes special delivery to local school board

Representatives of Roanoke Electric Co-op made a special delivery recently to the Northampton County School Board, in the form of a \$1,000 check. The symbolic gesture has a lot to say about the key role the co-op intends to play when it comes to local education. [Read more.](#)

REC SOLUTIONS

Co-op offers free tool to save on water-heating costs

Did you know that water heaters are the second biggest users of electricity in your home? According to the Department of Energy, they account for an average 18 percent of a home's energy use. Roanoke Electric Co-op's solution for member-owners: turn down the energy consumption and turn up the savings by taking advantage of its latest [special offer](#).

1-800...

How to report an outage to your electric co-op

Roanoke Electric Co-op prides itself on providing safe and reliable electricity to our member-owners. But life happens, and so does the occasional power interruption. What's the best way to report an outage? Simply give us a call at 1-800-358-9437. Or you can text "OUTAGE" to 352667. We are available 24 hours a day, seven days a week to dispatch crews to assist you. [Read more.](#)

TIMELY TIP

Change is good when it comes to air filters

Now that the fall season has officially begun, this is an ideal time to change the air filter for your heating and cooling system. By simply replacing an old dirty air filter in your home with a new one you can help ensure your system is running at peak performance this coming winter.
